MEMORANDUM FOR: [REDACTED] Secretary 25X1A9a  
IAC Ad Hoc Committee on Exchanges

FROM: [REDACTED] Chairman EIC 25X1A9a  
Subcommittee on Minerals and Metals

SUBJECT: Soviet Long Term Exchange Proposal

1. Attached is report of the EIC Subcommittee on Minerals and Metals reviewing the probable net [REDACTED] expected to result 25X1X1 from an exchange of long term visits with the Soviet Union in the fields of mining and metallurgy. In addition, certain recommendations and suggestions are made in connection with the short term exchanges in these fields that have been reviewed previously.

2. Your attention is called to the probable desirability of revising the itineraries in the USSR tentatively proposed for the US delegations in mining and nonferrous metallurgy in the event that the Soviets respond to the request for additional information proposed by the members of the Subcommittee.

3. The attached report was adopted unanimously by the members at a meeting of the Subcommittee on 20 September 1957.
